

OUT IN FRONT

In standardbred horse transportation

Pacesetter LTD. Series

2/3 horse slant load
14'L x 6'11"W x 7'3"H

Available In 2/3 And 3/4 Horse Models

A versatile standardbred race horse trailer for those who desire a shorter length trailer to transport 2/3 or 3/4 horses. The swinging front wall provides the flexibility to create a compartment for a third or fourth horse or to transport inside the trailer a race bike or jog cart. It also can be converted to (2) box stalls by removing one divider and moving the full height divider to the center. As standard equipment this unit features a rear folding race bike rack.

3/4 horse slant load
18'L x 6'11"W x 7'3"H
shown with optional split-side
door and roof race bike
rack and ladder

Pacesetter Series

Models shown may feature options not
included as standard.

PACESETTER LTD. SERIES
